

## Declaration of REACH, RoHS, POPs and PFAS Regulation

We, hereby certify that the Pallet Elastic:

- Do not contain any of the “Restricted Substances” given in the RoHS Directive 2011/65/EU and 2015/863/EU
- Do not contain any Substances of Very High Concern (SVHC) given under REACH Regulation 1907/2006, updated on 25<sup>th</sup> June 2025
- Comply with the EU’s Regulation No 2019/1021 on Persistent Organic Pollutants (POPs Regulation) and all amendments by the Commission Delegated Regulation till last updated regulation 2024/2570 of 22<sup>nd</sup> July 2024
- Do not contain any intentionally added PFAS chemicals, such as Perfluorooctanoic acids (PFOA), Perfluorooctane sulphonic acid (PFOS), or long chain Perfluorocarboxylic acids (LC-PFCAs). The term “intentionally added” means “a chemical in a product that serves an intended function in the product component”
